

## WHAT IS AN APPRENTICESHIP?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an Apprentice, you will spend time both in College and in the workplace learning new skills and training alongside experienced staff, which will lead to a nationally recognised Apprenticeship. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you may also have achieved qualifications which are recognised by your chosen profession.

## VENUE AND DURATION OF COURSE:

East Surrey College, Gatton Point, Redhill, RH1 2JX. The programme will run for approximately 24 months. This may reduce depending on previous experience and skills.

## ENTRY REQUIREMENTS:

There are no required qualifications for this Apprenticeship. The course is for anyone already working in the following job roles: Teacher/Teaching Assistant, Assessor, Training and Development Officer or a Tutor.

## WILL I GAIN ANY QUALIFICATIONS?

The Apprenticeship Standard you are studying is a qualification in its own right. Some employer groups have asked for formal qualifications to be achieved as part of the apprenticeship programme. These will be listed below along with any units or topics delivered and forms of assessment.

## APPRENTICESHIP DESCRIPTION:

The content of an Apprenticeship has been developed by an employer group. The detail can be found on the website <https://www.instituteforapprenticeships.org/> Below is a brief summary:

This apprenticeship programme includes learning about the primary role of a Learning and Skills Teacher, who are experts within a vocational sector and want to develop their skills into teaching within a post-compulsory education environment.

The apprentice will demonstrate how to plan for learner needs and use of active learning for differentiation and collaboration, including how to design and manage resources and explore new technologies to enhance learning.
