WHAT QUALIFICATIONS WILL I GET?

- BTEC Level 3 National Foundation Diploma in Computing in Year 1
- BTEC National Extended Diploma in Computing in Year 2

COURSE DESCRIPTION:

This qualification enables students to explore a choice of sector areas, enabling progression to either higher education or employment in the computing sector.

This is a practical, work-related course, which develops the necessary skills, knowledge and understanding to provide a sound, basic IT and business education. You will be required to use real businesses for your coursework. A number of trips are organised during the year to relate your learning to the world outside of College, such as Thorpe Park, Cadbury World and Microsoft. You will often work in small groups and you may well be required to present your findings to the rest of the group. Attendance of at least 90% is necessary in order to complete the course.

UNITS/TOPICS COVERED:

The course comprises of 13 units wide range of computing units, including both Mandatory units and those designed to facilitate more specialist study.

Core Units:

Unit 1 Principles of Computer Science
Unit 2 Fundamentals of Computer Systems
Unit 3 Planning and Management of Computing Projects
Unit 4 Software Design and Development Project
Unit 7 IT Systems Security and Encryption
Unit 8 Business Applications of Social Media
Unit 9 The Impact of Computing

Optional Units

Unit 10 Human - Computer Interaction
Unit 11 Digital Graphics and Animation
Unit 12 Digital Audio
Unit 13 Digital Video

Unit 14 Computer Games Development
Unit 15 Website Development
Unit 16 Object - oriented Programming
Unit 17 Mobile Apps Development
Unit 18 Relational Database Development
Unit 19 Computer Networking
Unit 20 Managing and Supporting Systems
Unit 21 Virtualisation
Unit 22 Systems Analysis and Design
Unit 23 Systems Methodology

N.B. Optional units are subject to change.

TYPE OF ASSESSMENT:

Assessments are specifically designed to fit the purpose and objective of the qualification. It includes a range of assessment types and styles suited to vocational qualifications in the sector. There are three main forms of assessment that you need to be aware of: External (Exam and Set tasks), Internal (Assignments) and Synoptic.

EQUIPMENT NEEDED:

- Pens
- Paper
- Folders

WHERE CAN IT LEAD?

It is a well-regarded qualification for entry to Higher Education and advanced professional studies. Employment opportunities range from careers in IT (Web Development, Programming, Hardware) and Business (Sales and Finance to Human Resources and Marketing).

COURSE FEE:

If you are under 19 on 31/08/2025, tuition is free. If you are 19 or over, please consult Client Services for advice and guidance on funding and eligibility.
