Progressing students: Please speak to your tutor regarding any additional uniform items that you will require.

Additional fee: Public Services

There are a number of trips for your course, including two expeditions, which incur costs including entry fees, campsites, transport, activity resources and external providers. Each Public / Protective Services student is charged an additional flat fee of £100 to cover these costs.

Please note that no refund will be made due to non-attendance (for any reason) as the trips form a key part of the course and are therefore mandatory.

If you are applying for a Bursary you can do this online from the 31st of July via the portal, [East Surrey College \(paymystudent.com\)](https://paymystudent.com). You can also speak to the Student Bursary Officer at Enrolment.

We look forward to welcoming you to your Enrolment day. If you have any queries or concerns regarding these additional costs, please contact Client Services at ClientServices@esc.ac.uk or on 01737 788 444.
