INTRODUCTION

1.1 General

The Terms of Reference and Standing Orders have been devised to draw together the range of rules and procedures for the conduct of Corporation business. They are framed from the requirements placed on the Corporation and the College within the Instrument and Articles of Government.

A copy of the document will be made available to each member on appointment to the Corporation and will be the basis on which the Chair of the Corporation and each Chair of its committees conduct meetings and all processes of the Corporation Board are enacted.

1.2 Interpretation

In these Terms of Reference and Standing Orders, unless stated otherwise, the following have the meanings assigned to them as indicated below:

Term	Meaning
“Board”	means the Corporation or the Governing Body of the College
“Committee”	means any of the committees of the Corporation of the College
“Chair”	means the Chair of the Corporation or any of its committees, or the person presiding as Chair at any particular meeting
“Vice-Chair”	means the Vice-Chair of the Corporation or any of its committees
“Clerk to the Corporation”	means the Clerk to the Corporation of East Surrey College, or to any of its committees and will be known as the Director of Governance
“Meeting”	means a meeting of the Corporation or any of its committees
“Member”	means a Member of the Corporation, or of any of its committees
“Committee Member”	includes any External Co-opted Member
“Ordinary Meetings”	means meetings of the Corporation or of its committees called as part of the regular cycle of meetings
“Principal”	means Chief Executive & Principal
“Special Meetings”	means those meetings of the Corporation, or any of its committees, called in addition to ordinary meetings.
“Lack of Quorum”	if at any time after the time appointed for the start of a meeting less than the required number of members (based on either Board determination or Committee Terms of Reference and Standing Orders) is present then the meeting will be terminated as a formal meeting for reasons of lack of quorum.
“Casting Vote”	if the votes for and against are equal, the Chair shall have a (second) casting vote and shall immediately declare whether that casting vote is for or against the motion; this does not apply where the person chairing the meeting is not the Chair or Vice-Chair.

Words importing one gender shall import all genders.

- 1.3 The ruling of the Chair as to the meaning and/or application of these Terms of Reference and Standing Orders shall not be challenged at any meeting of the Corporation, or be open to discussion.
- 1.4 These Terms of Reference and Standing Orders shall take effect, subject to any statutory provision for the time being in force affecting Further Education Corporations, in particular the Instrument and Articles of Government set out in the Education (Government of Further Education Corporations) (former further Education Colleges) Regulations 1992 and subsequent modification orders.

2 COMPOSITION OF THE CORPORATION

- 2.1 The composition of the Corporation is determined by the framework laid down in the Instrument of Government. The membership of the Corporation of the College will be determined from time to time by the Corporation having regard to the provision of the Instrument of Government and the recommendations of the Search and Governance Committee.

The Corporation has determined that the number of members of the Board shall be up to sixteen to include the Chief Executive & Principal, two staff and two student members. The Corporation has reserved the right in Instrument 3 of the Instrument and Articles of Government to vary the overall number of governors and also to vary the number of members in each membership constituency. The make up of the Corporation will reflect the requirements of the College and will be reviewed annually as part of the annual review of these Terms of Reference and Standing Orders.

3 APPOINTMENT OF CORPORATION MEMBERS

- 3.1 In accordance with the Articles of Government, the Corporation has established a Search and Governance Committee, which operates agreed procedures for the process of selecting and making recommendations to the Corporation for the appointment of Corporation members. The Rules and Procedures of the Search and Governance Committee, including the Terms of Reference and Standing Orders and the membership framework, as approved by the Corporation, are included in **Annex 1** and are publicly available on the College's website. The Corporation shall not appoint any member of the Corporation, other than staff and student members and the Principal, unless it has first considered the advice of the Search and Governance Committee.
- 3.2 All appointments to the Corporation will be scrutinized to determine eligibility, in accordance with Instrument 8 and any member subsequently becoming disqualified from holding office shall notify the Clerk in accordance with Instrument 8(10).
- 3.3 The Corporation has a policy on Governor Recruitment and Succession Planning, which is **Annex 5** to these Standing Orders.

4 APPOINTMENT OF EXTERNAL MEMBERS

- 4.1 The Corporation may invite external co-options to serve on any Corporation committee, except the Special Committee.

4.2 Such external co-options will be appointed for the expertise, which they can offer to a particular committee. They will be regarded as full members of the committee and will be entitled to vote on any issues debated by the committee. They will not be entitled to act as full members of the Corporation and will only attend full Corporation meetings by invitation, where they will be in attendance only and will have no voting rights.

4.3 External co-options will not normally be appointed as Chair of committees.

5. APPOINTMENT OF CHAIR, VICE-CHAIR AND CHAIR DESIGNATE

5.1 In accordance with Instrument 6, the Corporation will appoint a Chair and a Vice-Chair who will perform the role set out in **Annex 2**.

5.2 The Chair and Vice Chair will be elected every two years from the membership of the Corporation, normally on an open ballot. A proposer and a seconder must support a nomination, neither of whom must be the nominee. The appointment process will take place at the last meeting before the end of the term of office of the Chair or Vice-Chair or at the first meeting following the resignation of the Chair or the Vice-Chair resignation.

5.3 A member of the Corporation who is not standing as the Chair will take the chair for this item, normally in accordance with the following:

- If the current Chair is not standing for re-election, he will take the chair for this item;
- If the current Chair is standing for re-election, then the chair will be taken by the Vice Chair of the Corporation

If an election is necessary, voting will continue until a majority is achieved.

5.4 The Principal, Staff and Student members are ineligible for these appointments, but may nevertheless take part in the appointment process. If the Chair should resign or otherwise cease to hold office during the year, then the Vice-Chair shall act as Chair until the next meeting when an election shall be held. If the Vice-Chair should resign or otherwise cease to hold office during the year an election for a replacement shall be held at the next meeting.

5.5 Members of the Corporation may be asked to make formal nominations in advance of meetings where the election will take place. Where a ballot is necessary, it will be conducted by the Clerk to the Corporation using ballot papers as agreed in 5.2.

5.6 The rules which relate to the appointment of Chair will apply to the election of Vice-Chair except that the Chair will take the chair of the meeting and will have a casting vote when elections take place.

5.7 If both the Chair and Vice-Chair of the Corporation are absent from any meeting of the Corporation, the members present shall choose one of their number to act as Chair for that meeting, provided that the members chosen shall not be the Principal or any Staff or Student members.

5.8 The Chair or Vice-Chair may resign at any time by giving notice in writing to the Clerk to the Corporation.

5.9 At the last meeting before the expiry of a term of office or the first meeting following a resignation, members shall elect a new Chair or Vice-Chair in accordance with the normal rules.

- 5.10 In the event of a planned or expected vacancy arising for the office of Chair, a Chair Designate may be appointed up to six months prior to the office being vacated. The Chair Designate will work with the Chair for the remainder of his or her period of office, and will continue in the role until a new Chair is appointed. The Chair Designate is not a statutory office. The rules which relate to the appointment of a Chair and Vice Chair will apply to the election of a Chair Designate, as above.
- 5.11 The role of Chair Designate shall cease to exist upon the appointment of a new Chair.

6 THE CLERK TO THE CORPORATION

- 6.1 In accordance with Instrument 7, the Corporation is required to appoint a Clerk who may not be the Principal or a member of the Corporation. Arrangements for the Clerk are outlined in **Annex 3** to these Terms of Reference and Standing Orders. That person will serve as Clerk until they resign the appointment or the Corporation determine that the appointment should be terminated. The appointment will be in accordance with the job description in **Annex 3**. At East Surrey the Clerk to the Corporation will be known as the Director of Governance.
- 6.2 The Corporation will determine the nature of the appointment and the appointment process upon the occurrence of a vacancy.
- 6.3 In accordance with Instrument 14(10), the Clerk is required to withdraw from that part of any meeting at which his remuneration, conditions of service, conduct, suspension, dismissal or retirement are to be considered and in other circumstances if he is also a member of staff of the College. Neither will he be entitled to see the minutes of that meeting (Instrument 15(4)). On such occasions the Board will adopt the protocol outlined in **Annex 3**.
- 6.4 The Clerk is responsible for the administrative support for the governing body's work, for advising on proper procedure and for intervening when the Clerk considers that the Corporation is acting inappropriately or beyond its powers. In these circumstances, the protocol in **Annex 3** will be applied.

7 ATTENDANCE

- 7.1 Members are appointed to serve on the Corporation in the expectation that they will make time in their schedule to attend and fully participate in the work of the Corporation and the life of the College as laid down in the Rules of Conduct for the Corporation. If, however, a member is prevented from attending a Corporation or committee meeting, that member should notify the Clerk to the Corporation as early as possible. The purpose of this is to enable the Clerk to:
- give apologies at the meeting and record these in the minutes;
 - ascertain whether or not the meeting will be quorate
- 7.2 The Clerk shall keep a record of attendance, which shall be reported termly to the Search and Governance Committee. Any Corporation member who knows, or has reason to believe, that he will not be able to attend any meeting for a period of six months shall inform the Clerk who will raise the matter with the Chair and the Corporation. Any member who has not attended meetings for more than six consecutive months without permission of the Corporation may be removed from office by decision of the Corporation in accordance with the Procedures for Removal of a Corporation Member, detailed in the Rules of Membership in **Annex 1**.

- 7.3 Every Corporation member appointed as a member of a committee will cease to be a member of that committee when he ceases to be a member of the Corporation unless he has been appointed for a further term of office as a member of the Corporation, or specifically becomes a co-opted member of a committee.
- 7.4 Staff, including the Principal, and Student members will cease to hold office when they cease to be members of staff or students of the College.

8 QUORUM

- 8.1 The quorum of the Corporation and committees is 40% of the determined membership, rounded up to the nearest whole number. The Corporation determines the membership and quorum for committees.
- 8.2 The rules on the quorum apply not only at the start of a meeting, but also at any point during the meeting when the numbers present change as a result of members arriving late, leaving early or declaring an interest. The Clerk shall keep a note of attendance, including any changes, which take place during the meeting. If a meeting becomes inquorate the Clerk shall immediately inform the Chair.
- 8.3 An inquorate meeting shall be terminated by the Chair, although it is possible to continue discussions on an informal basis. It is then open to the Chair to call a special meeting to undertake the remaining business, or to defer consideration to the next ordinary meeting.

9 MEETINGS OF THE CORPORATION

- 9.1 The Corporation will meet at least once a term and at such other times as may be necessary.
- 9.2 Subject to 9.3, all meetings shall be summoned by the Clerk to the Corporation who shall, at least seven calendar days before the date of the meeting, send to the members' written notice of the meeting and a copy of the proposed agenda.
- 9.3 If it is proposed to consider at any meeting the remuneration, conditions of service, conduct, suspension, dismissal or retirement of the Clerk to the Corporation the Chair shall, at least seven calendar days before the date of the meeting, send to the members a copy of the agenda item concerned together with any relevant papers, in accordance with the protocol in **Annex 2**.
- 9.4 A special meeting of the Corporation may be called at any time by the Chair or, at the request in writing to the Clerk to the Corporation, by any five members. Where the Chair or, in his absence the Vice-Chair, so directs on the grounds that there are matters demanding urgent consideration, it shall be sufficient if the written notice convening the meeting and the agenda are given within such a period, being less than seven days, as he specifies.
- 9.5 Any individual Corporation member may request that an item be included on the agenda of the Corporation; items should normally be submitted to the Clerk to the Corporation at least 10 working days before the date of the meeting. The Clerk shall notify the Chair of the Corporation and the Principal of any items proposed through this route before the agenda is finalised. The Chair of the Corporation shall make the final decision as to inclusion of any item on the agenda.
- 9.6 At every ordinary meeting of the Corporation, the minutes of the last meeting shall be taken as an agenda item and, if agreed to be accurate, signed as a true record by the Chair.

- 9.7 Separate minutes shall be taken of those parts of meetings from which the Clerk to the Corporation or Staff or Student members have withdrawn. The Clerk to the Corporation, Staff or Student members shall not be entitled to see the minute(s) or any papers relating to that part of the meeting from which they were required to withdraw and the Corporation will adopt the protocol outlined in **Annex 3**.
- 9.8 Minutes of the proceedings of every meeting shall be drawn up. The draft minutes will then be forwarded to the Chair of the Corporation for comment before being placed as an item on the agenda for the next meeting of the Corporation. At that subsequent meeting the minutes shall be signed by the Chair or, in his absence, the Vice-Chair (or any other member acting as chair for the meeting).
- 9.9 Any matters which Corporation members may wish to raise under the 'Other Business' item on the agenda must be raised at the beginning of the meeting and receive the approval of the Chair for consideration. Such items would normally be restricted to urgent matters or matters of great and immediate importance – the reason for urgency should be stated and recorded in the minutes.
- 9.10 The Chair or, in his absence, the Vice-Chair may vary the order of business so as to give precedence to any report or issue.
- 9.11 If any person interrupts the proceedings at any meeting of the Corporation, the person chairing the meeting shall warn him against further interruption. If he continues the interruption the person chairing the meeting shall require him to withdraw from the meeting and shall, if necessary, adjourn the meeting whilst this takes place.
- 9.12 It is not permitted to make audio or visual records of any part of a meeting of the Corporation. Meetings may be recorded when using appropriate video conferencing facilities.
- 9.13 The Corporation determines the schedule of its meetings and those of its committees. The Clerk to the Corporation may cancel or vary such dates and times after consultation with relevant members.

10 COMMITTEES OF THE CORPORATION

- 10.1 The Corporation currently has established Committees as follows:

- Audit
- Finance and Resources
- Learning and Quality
- Senior Post Holders' Employment
- Search and Governance
- Strategy
- Special Committee

The terms of reference of these committees are available from the Clerk and, where appropriate, are on the College website.

- 10.2 The quorum, constitution, membership and terms of reference of these committees are agreed by the Corporation from time to time; copies are available from the Clerk and are on the College website. Memberships and chairs of all committees will be kept under review by the Search and Governance Committee and recommendations will be made by that committee to the full Corporation. Minutes of all committee meetings will normally be reported to the following ordinary meeting of the Corporation.

11. PROCEEDINGS OF COMMITTEES

- 11.1 Vacancies occurring on any committee during any year shall be addressed by the Search and Governance Committee and formally reported to the Corporation.
- 11.2 The Chair of a committee may, after appropriate consultation, invite other members of the Corporation to a committee meeting where the committee would benefit from their involvement.
- 11.3 Corporation members, apart from the Chair of the Corporation, will not normally be Chair of more than one committee.
- 11.4 The membership of the Audit Committee shall not include any member of the committee which deals with Finance.
- 11.5 The quorum of committees shall be set out in the appropriate committee Terms of Reference and Standing Orders.
- 11.6 Every question to be decided at a meeting of a committee shall be determined by a majority of the votes of the members present and eligible to vote on the question, with the Chair having a second or casting vote in the event of a tie. Proxy votes, or votes by way of a postal vote, for absent members are not permitted. Voting need not necessarily be by way of a formal vote.
- 11.7 Minutes of the proceedings of every meeting shall be drawn up. Draft minutes will then be forwarded to the Chair of the committee for comment before being placed as an item on the agenda for the next meeting of the committee. At that subsequent meeting the minutes shall be signed by the Chair, or in his absence, any other member acting as Chair for the meeting.
- 11.8 If any person interrupts the proceedings at any meeting of the committee the person chairing the meeting shall warn him against further interruption. If he continues the interruption the person chairing the meeting shall require him to withdraw from the meeting and shall, if necessary, adjourn the meeting whilst this takes place.
- 11.9 It is not permitted to make audio or visual records of any part of a meeting of any of the committees. Meetings may be recorded when using appropriate video conferencing facilities.

12. WITHDRAWAL FROM MEETINGS

- 12.1 In accordance with Instrument 14, Staff members and, where applicable, the Clerk to the Corporation and the Principal, must withdraw from any part of a meeting which is discussing their own remuneration, conditions of service, promotion, conduct, suspension, dismissal or retirement. Instrument 14 also identifies circumstances when Staff and Student members might be asked to withdraw when discussing the appointment, remuneration, conditions of service, promotion, conduct, suspension, dismissal or retirement of any member of staff.

13. VOTING

- 13.1 Every question to be decided at a meeting shall be determined by a majority of the votes of the members present and eligible to vote on the question, with the Chair having a second or casting vote in the event of a tie. Proxy votes, or votes by way of a postal vote, for absent members are not permitted.

- 13.2 Not all decisions need to be taken by formal vote. The Chair will normally ask the meeting, at the conclusion of a discussion, for its agreement to the proposal in question. A vote on an issue might only be required if there was a clear expression of dissent or if it were a matter of particular significance e.g. approval of the annual budget or accounts.
- 13.3 Should an individual member of the meeting request a vote on a particular issue, this must be agreed by the meeting. If a formal vote is taken, the number voting for, against or abstaining shall be recorded in the minutes. It is for the meeting to decide the circumstances in which a secret ballot shall be held or in which the names of those voting for or against a proposal shall be recorded. Whether or not a recorded vote has taken place, and even if a decision has been made by secret ballot, a dissenting member shall have the right to have his disagreement recorded in the minutes at his request.

14 RECONSIDERATION OF RESOLUTIONS

- 14.1 No Resolution i.e. any formal decision by the Corporation, may be rescinded or varied at a subsequent meeting of the Corporation unless its reconsideration appears on the agenda for that meeting. A Resolution cannot therefore be overturned or varied, for instance, simply as part of discussions of matters arising from previous minutes. Not only must the subject matter appear as a substantive item on the agenda, but also the fact that there is a proposal to vary or rescind a previous decision must be indicated.

15 DECLARATION OF PERSONAL /OTHER INTEREST

- 15.1 Any Corporation member who has any financial interest in the supply of work or goods to or for the purposes of the College, any contract or proposed contract concerning the College, or any other matter relating to the College or who has any other interest of a description specified by the Corporation in any matter relating to the College shall:
- (i) Disclose to the Corporation the nature and extent of his interest; and
 - (ii) If he is present at a meeting of the Corporation or of any committee of the Corporation at which such supply, contract or other matter is to be considered, shall not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum present at the meeting in relation to a resolution on which he is not entitled to vote.
- 15.2 The declaration of interest is normally the responsibility of the individual member. However, if the Clerk, on the basis of information in the Corporation register of interests, has reason to believe a member has a financial or personal interest that may need to be declared, he should draw this to the attention of the Chair and the member concerned - preferably before the meeting.
- 15.3 The declaration of an interest by a Corporation member during the course of the meeting shall be recorded in the minutes.
- 15.4 Every member of the Corporation shall act in the best interests of the Corporation and accordingly shall not be bound in speaking and voting by mandates given to him by any other body or person.
- 15.5 Standing Order 15.1 shall not prevent the member of the Corporation considering and voting upon proposals for the Corporation to insure the members of the Corporation against liabilities incurred by them arising out of their office or the Corporation's obtaining such insurance and paying the premiums.

- 15.6 The Clerk shall maintain a Register of Interests of Corporation members and senior managers who will be required to declare their own interests and those of their immediate family, defined as a spouse/partner/child, or business associate.

16 CONFIDENTIALITY

- 16.1 The Corporation shall determine when an item is confidential. Criteria for defining an item as confidential include:
- (i) Consideration of the financial position of the College where disclosure might harm the College or its competitive position, as determined by the Corporation;
 - (ii) Consideration of financial or other information relating to procurement decisions, including that relating to the College's negotiating position;
 - (iii) Items containing personal information relating to an individual (other than a member of staff of the College);
 - (iv) Information provided in confidence by a third party who has not authorised its disclosure;
 - (v) Information relating to the negotiating position of the College in industrial relations matters;
 - (vi) Legal advice received from or instruction given to the College legal advisers;
 - (vii) Where appropriate, professional advice received from or instructions given to the College's professional advisers;
 - (viii) Information planned for publication in advance of that publication. Any other matters the publication of which would, in the Corporation's view, be detrimental to the College's interests.
 - (ix) Where the appointment, remuneration, conditions of service, promotion, conduct, suspension, dismissal or retirement of any member or prospective member of staff are to be considered.
- 16.2 Matters relating to individual members of staff come under the confidential section of the minutes and will not be made publicly available. The Corporation and its committees are empowered to identify other items that they wish to be minuted under the confidential section.
- 16.3 All Corporation and co-opted members of committees must respect the confidentiality of any papers made available to them whether for purposes of the Corporation or committee meetings or otherwise for so long as those papers remain confidential.
- 16.4 In order to ensure that the Corporation operates in keeping with a spirit of openness, all items which are deemed to be confidential, either by virtue of the paper supporting that item or because the associated minute has been deemed to be confidential, will be reviewed at the end of every academic year to establish its ongoing status. If the item is no longer confidential because it has become public within the College, then the associated paper and/or relevant minutes will be deemed to be available for public scrutiny. The Clerk will be responsible for reviewing all full Corporation and committee papers on a rolling basis to establish the current status of confidential papers and will report annually to the Corporation which will determine whether they can be released.
- 16.5 The Corporation has a policy on access and confidentiality which is **Annex 4** to these Standing Orders.

17. PUBLIC ACCESS TO AGENDA AND MINUTES

- 17.1 Copies of the agenda, minutes and papers of all appropriate meetings of the Corporation and its committees are available during the hours of 09.00 – 17.00, Monday to Friday, in the Directorate office. Approved and signed minutes of the

meetings of the Corporation and its committees shall be available on the College website. In accordance with the Articles of Government, minutes and the Rules of Procedure of the Search and Governance Committee will be made available on the College website. The only exceptions to this are in the case of minutes and papers deemed by the Corporation to be confidential. Agenda shall be available for inspection as soon as the members have received them, and before the meeting. Minutes shall be available in draft form after approval by the Chair. Non-confidential papers considered at a meeting shall be made available after the meeting.

18 PUBLIC ACCESS TO MEETINGS

- 18.1 The Corporation, or the Chair on its behalf, may, at its discretion, invite persons who are not members of the Corporation or the Clerk to the Corporation to attend Corporation or committee meetings, or parts of meetings. Any such invitations shall be issued through the Clerk who shall stipulate the portion of the meeting which the person may attend. Such persons may only speak if invited to do so by the Chair of the Corporation or the committee. The presence of such persons, and the point in the meeting at which they left, shall be recorded in the minutes.

19 CHAIR'S ACTION

- 19.1 It will be necessary from time to time for the Chair, or the Vice Chair in his absence, to act on behalf of the Corporation between meetings. The circumstances under which the Chair or Vice Chair may act will include: routine action which would not have merited an agenda item and discussion at a Corporation meeting, for example routine documents; responding to approaches by external organisations; and agreeing to detailed aspects of implementation of matters already agreed by the Corporation.
- 19.2 Alternatively, the Chair may take action on matters which he judges are too urgent to await a meeting of the Corporation. If such urgent matters arise, the Chair has the option to call a special meeting, if necessary with less than the normal seven days' notice. Chair's Action should only be taken if delaying a decision would disadvantage the College.
- 19.3 The Corporation accepts corporate responsibility for those actions taken by the Chair outside of a meeting, and within the terms of these Terms of Reference and Standing Orders. The Clerk must make a full record of all such Chair's action, and report them to the next meeting of the Corporation. If the Clerk has not been directly involved in an action then the Chair, or Vice-Chair, must ensure that he is given a full account of the action.
- 19.4 Chair's Action may not be taken on any non-delegable items as listed in Section 20 below.

20 DELEGATED POWERS OF THE CORPORATION

- 20.1 In accordance with the Articles of Government, the Corporation may delegate any of its powers with the exception of the following:
- (a) the determination and period review of the educational character and mission of the college;
 - (b) the approval of the annual estimates of income and expenditure;
 - (c) the responsibility for ensuring the solvency of the College and the safeguarding of its assets;
 - (d) the appointment or dismissal of the Principal or other senior postholder;
 - (e) the appointment or dismissal of the Clerk to the Corporation;
 - (f) the modifying or revoking of the Articles of Government.

21 ALLOWANCES TO MEMBERS & GOVERNORS' EXPENSES

- 21.1 Members may receive reimbursement for expenses incurred while undertaking Corporation business. Expenses claims can be made to cover the costs incurred for travelling to meetings, conferences, training events, and to cover child care costs incurred whilst on Corporation business.
- 21.2 Expenses rates paid to Corporation members will be the same rates that apply to College staff, as detailed in the College's Expenses Policy and this Policy will apply to all members' expenses. In accordance with the Policy, members are expected to claim for the cheapest method of travel, receipts need to be provided for all claims except for mileage claims and College expense claim forms are to be used by members when claiming expenses.
- 21.3 Completed expense claim forms should be sent to the Clerk who will keep a record of all claims received. The Clerk will authorise to indicate that the claim represents legitimate expenditure and will pass the claim for authorisation by the Principal, in accordance with normal College practices.

22 ARRANGEMENTS FOR SENIOR STAFF

- 22.1 The Corporation is responsible for the recruitment and terms and conditions of the Clerk to the Corporation and senior postholders, who are currently defined as the Chief Executive & Principal, the Chief Operating Officer, the Executive Director Commercial & Partnerships and the Vice Principal Curriculum and Standards. The Chief Executive & Principal has general responsibility for appointment of all members of staff other than for senior postholders.
- 22.2 When a senior postholder post falls vacant the Corporation shall appoint a selection panel in accordance with the provisions of Article 12.
- 22.3 The selection panel shall determine the arrangements for selecting applicants for interview, including agreeing the text of an advertisement and arranging for this to be placed in the national press, undertaking the interviews of selected applicants and making a recommendation on appointment to the Corporation. If the Corporation approves the selection panel's recommendation, then that person shall be appointed.
- 22.4 If the selection panel is unable to agree on a person to recommend for appointment, or if the Corporation does not approve the recommendation, the Corporation may make an appointment itself of a person from amongst those interviewed or it may require the panel to repeat the process identified in 22.3 with or without first re-advertising the vacancy.
- 22.5 The Senior Postholders' Employment Committee shall have responsibility for ensuring that the appraisal of senior postholders is undertaken and shall report to the Corporation on the outcomes, as well as making recommendations on issues related to salary and terms and conditions of service, in accordance with its terms of reference.
- 22.6 The Corporation will ensure that there are appropriate procedures in place for the management of disciplinary and grievance matters for senior postholders.

23 INDEPENDENT PROFESSIONAL ADVICE FOR MEMBERS

23.1 This procedure is based on the premise that Corporation members shall have the right to take advice from the Corporation's advisers or, if necessary, at the Corporation's expense, independent advisers on any matters concerning the exercise of their powers and responsibilities.

Such matters shall:

- **include** advice on legal, accounting and regulatory duties
- **exclude** advice to individual Corporation members concerning their own respective personal interests in relation to the Corporation.

23.2 A member who wishes to seek advice under this procedure shall give prior written notice to the Clerk to the Corporation and provide:

- a summary of issues on which advice is sought; and
- if independent advice is sought i.e. not from the Corporation's existing advisers, the names(s) of the advisers whom the member wishes to instruct together with a short explanation of the reasons why consultation with the Corporation's advisers on the particular issue(s) is considered to be inappropriate.

23.3 The Clerk shall ensure that the Chair of the Corporation and the Principal are advised of the member's requirements.

23.4 On behalf of the Corporation, the Chair will consider the merits of the case and payment or contribution towards the costs of independent professional advice. The contribution to be made will be based on the merits of each individual case. The decision shall be made after consultation with the Principal.

23.5 The Chair shall decide whether to authorise such payment or contribution as soon as practicable after receiving a copy of the notice seeking advice under this procedure and in any event within ten working days.

ANNEX 1 TO THE STANDING ORDERS OF EAST SURREY COLLEGE CORPORATION

RULES OF MEMBERSHIP OF THE CORPORATION

1.1 Terms of Reference of the Search and Governance Committee

- (i) In accordance with the Articles 5, the Corporation has established a Search and Governance Committee with terms of reference and membership as outlined in **Appendix 1 to this Annex.**
- (ii) The Search and Governance Committee has responsibility for advising the Corporation on the full range of issues associated with membership and governance issues

1.2 General Conduct of the Search and Governance Committee

- (i) The Search and Governance Committee will conduct its business in accordance with normal rules of procedure for the Corporation and its committees outlined in the Rules of Conduct of the Corporation and the Corporation's Terms of Reference and Standing Orders, subject to any more detailed advice contained in these Rules. These Rules are held by the Clerk to the Corporation and, together with all documentation relating to the work and advice of the Search and Governance Committee, are available for public inspection in the Directorate during normal office opening hours and on the College's website.
- (ii) The Search and Governance Committee will normally meet once a term, unless members decide that there is insufficient business. It will receive regular reports on the membership position of the Corporation and the other related issues within its terms of reference and conduct its business in accordance with an annual schedule.

2. MEMBERSHIP OF THE CORPORATION

2.1 Composition of the Corporation

The composition of the Corporation is determined by the framework laid down in the Instrument of Government. The membership of the Corporation of the College will be determined from time to time by the Corporation having regard to the provision of the Instrument of Government and the recommendations of the Search and Governance Committee.

2.2 Terms of Office

Members will normally be appointed to a four-year term of office and will not normally be eligible to serve more than two consecutive terms of office. Given that there is also a balance to be maintained between seeking new members of the Corporation and making use of experienced members, particularly at times when a number of terms of office come to an end, the Search and Governance Committee will seek to adopt this advice but may unusually make recommendations that a third term of office be served. On such occasions, the Committee will outline clearly the reasons for this recommendation.

2.3 Eligibility to be a Governor

- (i) The eligibility for Corporation membership is laid down in Instrument 8. It is the duty of the Search and Governance Committee to ensure that any individuals recommended for membership of the Corporation comply with the eligibility criteria both generally and for specific categories of membership.

In particular, the following must be applied:

- Members must be 18 years of age or older unless they are appointed as Student members;
 - Staff may not serve as members unless in the capacity of Staff member or Principal;
 - Students may not serve except in the capacity as Student member. Any existing member may enrol on a part-time course at the College during his term of office, but will cease to be a member of the Corporation if he enrolls on a full-time course;
 - The Clerk may not be a member.
- (ii) In addition, the provisions of Instrument 8(5) to 8(9) make ineligible those who have certain convictions or have been adjudged bankrupt. Those making application to the Corporation are required to make declarations in this respect so that the Search and Governance Committee can make a judgement as to eligibility within the provisions of the Instrument of Government before making appointments.

2.4 Principles for making appointments

The Corporation is committed to a range of systematic procedures to make appointments to the Corporation. These are based on:

- (i) Fair and open procedures for appointment
- (ii) The application of all general principles of Equal Opportunities including relevant legislation in respect of race, gender and disability.
- (iii) The capacity for all appointments to be open to public scrutiny.

These principles are enshrined in the Governor Recruitment and Succession Planning Policy and Procedure, **Annex 5**.

2.5 Criteria for Selection

- (i) In order to achieve the appropriate mix of skills and the profile of members determined by the Corporation, all applications for Governorship will be measured against the following criteria:
- Commitment and interest in education and training;
 - Time and energy to undertake the role;
 - Clear appreciation of the role of a member
 - Skills and experience likely to be of use to the College;
 - Potential for a range of contacts likely to assist the College in its interface with the community.

These criteria are enshrined in the Governor role description which is **Appendix 2 to this Annex**

- (ii) All prospective applicants, will have access to a general information brochure about the Corporation, including the Instrument and Articles of Government.
- (iii) All applicants, including those seeking to renew their membership or known to the Corporation, will normally complete an application form which is then reviewed by the Search and Governance Committee against the selection criteria. When the Committee has decided upon a suitable list of recommendations to the Corporation, it is the practice that, where applicants are not known to the College, the Principal and other members of the Committee will meet with them before a final recommendation is made.

3 MEMBERSHIP APPOINTMENT PROCEDURE

- 3.1 At the specific instruction of the Search and Governance Committee, or as required to replenish the database of individuals interested in future Corporation membership, the Clerk may invite applications via advertisement in local press or by written invitation to suitable local businesses, unitary authorities and/or community groups. Potential candidates may also be personally introduced by current members. As far as possible, the Corporation will seek to identify a pool of prospective members so that vacancies can be filled promptly.
- 3.2 All applicants or nominees for membership of the Corporation are required to submit an up to date CV and complete the application form and to forward these to the Clerk to the Corporation.

Process in Relation to New Applicants

- 3.3 All applications for Corporation membership, howsoever introduced, will be assessed impartially against the latest available Skills and Diversity Audit Analysis for the whole Corporation to ascertain the areas where skills and diversity are required. At the time that an appropriate vacancy falls due, the Clerk and the Chair of the Search and Governance Committee will carry out an initial assessment of all available applications.
- 3.4 If, as a result of the initial assessment, one or more applications suggest potentially suitable applicants to fulfil the current requirements for Corporation membership, the Clerk will contact the applicant to ascertain their interest in pursuing their application at that stage.
- 3.5 Following this, the Clerk will invite the applicant to attend College for an informal meeting with the Chair of the Search and Governance Committee and the Principal. The individual will also be briefly apprised of the role, responsibilities and commitment required of a Governor and provided with appropriate background information about the role and the College.
- 3.6 Following the informal meeting, the Clerk will invite the applicant to attend a meeting of the Search and Governance Committee.
- 3.7 At the meeting, the applicant will be invited to discuss their relevant professional and personal experience and their perception of how they would contribute to the sound governance of the College.
- 3.8 After the meeting with the applicant, the Search and Governance Committee will make a formal recommendation to the Corporation. The Clerk may also be asked to take up references for the applicants, particularly where they are not known to the College.
- 3.9 The report of the Search and Governance Committee will be included in the agenda of the next Corporation meeting where, if appropriate, its recommendation will be considered. The applicant may be invited to attend this meeting, but will only be in attendance and will be required to withdraw whilst their membership position is being considered. If the Corporation approves the appointment and is satisfied that all appropriate procedures have been completed, the applicant may be invited to join the meeting as a full member of the Corporation.

- 3.10 Alternatively, following satisfactory completion of the membership formalities, the new appointee will be invited to attend for an initial induction session with the Clerk and to attend the next meeting of the Corporation.

Members Reapplying for a Further Term of Office

- 3.11 At the end of an individual's term of office, consideration will be given to those who wish to seek another term of office as a member, providing that they remain eligible in accordance with the Instrument of Government and the rules made by the Corporation. Such members will be reviewed by the Search and Governance Committee in the normal way, as outlined above, before a formal recommendation is made to the full Corporation.

3.12 Election procedures

- (i) Where elections are to take place from a given constituency, it is the duty of the Clerk to act as Returning Officer and to ensure that the Corporation's business is conducted in an orderly and fair manner which is open to scrutiny. Whatever the constituency, the following will apply:
- Vacancies for members in the relevant category will be advertised widely to ensure that, as far as possible, they reach a widely dispersed community. The method of advertisement may vary depending on the constituency and may be at the discretion of the Clerk, save that he will retain all details of the advertising procedure and advise the Search and Governance Committee accordingly;
 - Individuals interested in serving as Governors will be formally nominated and seconded and the Clerk will establish appropriate open procedures to secure nominations.
 - Nominees will be invited to submit a short statement or *curriculum vitae* as a candidate;
 - The Clerk will draw up a list of candidates and put in place election processes with clearly established closing dates and subject to normal election rules. Normally the election will be conducted via postal ballot with numbered ballot papers. Again, as Returning Officer, the Clerk may have the discretion to use alternative methods if they are more appropriate to the constituency in question;
 - After the closing date, the Clerk will publish the results and indicate who is deemed to be the winner for consideration for appointment to the Corporation;
 - The successful nomination will be considered for approval by the Corporation at the earliest available meeting.

ARRANGEMENTS FOR THE CLERK TO THE CORPORATION

1. Role of the Clerk

1.1 In accordance with the Articles of Government, the Clerk is responsible for advising the Corporation with regard to

- (i) the operation of its powers;
- (ii) procedural matters;
- (iii) the conduct of its business; and
- (iv) matters of governance practice.

At East Surrey, the Clerk is known as the Director of Governance.

1.2 The role of the Clerk is enshrined within the job description at **Appendix 1**.

2. Appointment of the Clerk

2.1 Upon the occurrence of a vacancy, the Corporation will determine how it intends to secure the appointment of a new Clerk and the terms and conditions of that appointment, as long as they are in accordance with any regulations in the Instrument and Articles of the Government.

3 Appraisal of the Clerk

3.1 The Clerk will have an annual appraisal, normally with the Chair of the Corporation and the outcomes of that appraisal will be reported to the Senior Postholders' Employment Committee which will advise the Corporation on any matters arising from the appraisal process.

4. Dismissal of the Clerk

4.1 In the event that the Corporation may deem it necessary to invoke proceedings which might lead to the suspension or dismissal of the Clerk, where the Clerk is directly employed under a contract of employment with the Corporation, the Clerk will be treated as a senior postholder for the purposes of these procedures, as specified in the Articles of Government.

5 Attendance at Meetings

5.1 The Clerk will attend all meetings of the Corporation and its committees. In the event that the Clerk is unable to attend any meeting, arrangements will be in place to ensure that an appropriate deputy is able to attend in a temporary capacity.

5.2 The Instrument of Government specifies that the Clerk must withdraw from all meetings or part of a meeting where his/her own remuneration, conditions of service, conduct, suspension, dismissal or retirement are to be considered. In order to meet this requirement, the following protocol will be followed:

- (i) Any papers relating to an agenda item which addresses the above issues will be dispatched separately from the main agenda by the Chair of the Corporation/Chair of the relevant committee. Such papers will be sent at least 7 days before the meeting;

- (ii) The Clerk will withdraw from the meeting at the appropriate time. The Corporation or relevant committee will appoint a member to have responsibility for producing the minute for that part of the meeting. This will be a separate, confidential minute which the Clerk will have no entitlement to see;
- (iii) The Corporation/committee will decide at the end of its discussions whether members are prepared for the Clerk to have sight of the minute. If they are prepared to allow this, then the confidential minute will be written by the member appointed as Clerk and appended to the main minutes of the meeting by the Clerk in accordance with the usual processes for the production of minutes. If the Clerk is not allowed to see the minute, then the Chair will send it separately to Governors and the Clerk will be required to withdraw from that part of the next meeting when the minute is approved. The Chair will be responsible for maintaining the records related to all such minutes.

6. Action to be taken where the Clerk believes that the Corporation may be acting inappropriately

- 6.1 If the Clerk has a concern that the Corporation may be acting inappropriately or beyond its powers he will raise that concern in the first instance with the Chair and if necessary with the Vice Chair of the Corporation and/or the Principal, who may request that independent legal or other advice is sought. If as a result it is agreed that the Corporation will need to reconsider a decision, the Chair will bring this to the attention of the Corporation as soon as practicable, together with the reasons.
- 6.2 If no solution can be reached and the Clerk considers that the grounds for the original concern still present a threat to the proper governance of the College, he is authorised to take independent legal advice and/or seek advice from the relevant funding body. All Corporation members will be informed that this had been done, and will be notified of the advice received.

ANNEX 5 TO THE STANDING ORDERS OF EAST SURREY COLLEGE CORPORATION

GOVERNOR RECRUITMENT AND SUCCESSION PLANNING POLICY AND PROCEDURE

1. Scope

This policy applies to the recruitment of independent Governors, the induction of all governors and succession planning within the Corporation.

2. Purpose

The purpose of the Policy and Procedure is to ensure that the recruitment of independent governors, the operation of the Corporation and its succession plan follow the Nolan Principles of Public Life and are both transparent and fair.

3. Policy Statement

East Surrey College Corporation recognises that to function well it needs a diverse mix of appropriately experienced and knowledgeable people who understand the key role they play as Governors and whose commitment and ability to contribute to the College is evident.

The Board self-assesses its performance annually. It aims to keep a balance between refreshing its membership and maintaining experience, knowledge and skills so that it has the capacity to deliver the College's strategy and goals. It will keep its recruitment, membership and succession planning under annual review to ensure that there is an effective and functioning Board able to oversee the management of the College and determine its strategy.

It will continue to seek to maintain a Board of Governors that reflects the make-up of the local population and matches the local learner, staff and employment profile.

4. Policy Implementation

4.1 Recruitment, Selection and Assessment

- The Director of Governance will maintain a Register of Members that provides details of current membership, including categories of membership and terms of office. This will be used by the Director of Governance to ensure that forthcoming vacancies, as a result of the term of office of a Governor being due to expire, are reported to the Search and Governance Committee in a timely manner. The Director of Governance will also ensure that arrangements are in place for elections for staff and student governors.
- All Governors will be asked at their induction meeting to provide at least three months' notice of resignation to allow for vacancies resulting from resignation to be reported to the Search and Governance Committee in a timely manner.
- The Search and Governance Committee will meet each term to consider existing and forthcoming vacancies for Independent Members of the Board and, when necessary, the roles of Chair and Vice-Chair of the Corporation, Committee Chairs and the Director of Governance.
- A file will be maintained of Governors' Curriculum Vitae and / or application forms providing details of individual skills, backgrounds, offices held and any other relevant information.
- All Governors will be asked to complete a questionnaire detailing their skills as part of their application to be an Independent Governor and to update it at their induction meeting, and again every two years. The Director of Governance will use this information to undertake an analysis of the current skills on the Board every two years.

- The Search and Governance Committee will be provided with details of the latest skills audit analysis in order that they may match the skills and experience of candidates, as set out in their application forms, to any skills gaps that may exist on the Board at the time of a particular vacancy.
- The Search and Governance Committee will consider the skills, experience, background and personal characteristics (age range, gender, and ethnicity) which are desirable to be met in filling any vacancy, including office holders and will give regular consideration to identifying future potential leaders from within the Corporation as well as the possibility of new recruitment to fill a future office holder vacancy.
- The Director of Governance, Chief Executive & Principal and Members of the Committee as appropriate will pursue possibilities for new Members based on this needs assessment. Personal contacts, advertising, approaches to professional, trade, business or community organisations and local businesses and employers. The use of volunteer bureaux and Governor recruitment agencies will all be considered. The method or methods most appropriate for the vacancy will be agreed by the Search and Governance Committee.
- A Governor role description and information about becoming a Governor will be kept up to date and will be available on the College website as well as being provided to those interested in becoming a Governor.
- A person considered by the Search and Governance Committee to have the necessary skills and experience to join the Corporation will be asked to meet with the Committee to discuss the role, time commitment and responsibility, and any potential conflicts of interest prior to their name being put forward to the Corporation should all parties wish to proceed with an appointment and subject to confidential references.
- The Search and Governance Committee will maintain, and regularly review, a reserve list of people interested in becoming Governors as future vacancies occur which match their specific skills, knowledge and experience.

4.2 Succession Planning and Business Continuity supported by Self-Assessment

- The Search and Governance Committee will consider succession planning at every meeting as part of its review of the membership of the Corporation.
- The expiry dates of terms of office of existing Independent Members are staggered to assist effective succession planning and to reduce the number of vacancies at any particular time.
- Membership of the Corporation is limited to two consecutive terms of four years for Independent Members although Standing Orders do allow for extensions to this where the skills, experience and knowledge of a governor are considered essential to the maintenance of good governance. The appointments of staff and student governors are determined by election but staff governors must be employed by the College and student governors enrolled at the College during their terms of office. The Chief Executive serves as a governor throughout their period in post. This ensures that independence is maintained and assists with the aim of having a balance of new and experienced Governors.
- The Chair of the Corporation will be asked to confirm their intention to be considered for re-appointment for another term of office six months prior to the end of their term of office. They are requested to provide at least six months' notice of their intention to resign from office to assist effective succession planning for this position.
- The Vice-Chair of the Corporation will be asked to confirm their intention to be considered for re-appointment for another term of office three months prior to the end of their term of office. They are requested to provide at least three months' notice of their intention to resign from office to assist effective succession planning for this position.

- Chairs of Committees are recommended to the Corporation by the Committees annually. In the event of a resignation in term, Committee Chairs are asked to give at least two months' notice of their intention to vacate their position in order that the vacancy may be considered at the next scheduled meetings of the relevant Committee and Board.
- Governors are requested to provide at least three months' written notice to the Director of Governance to the Corporation if it is their intention to resign before the expiry of their term of office.
- Where there is a planned or expected vacancy arising for the office of Chair, a Chair Designate may be appointed up to six months prior to the office being vacated. The Chair Designate will work with the Chair for the remainder of his or her period of office, and will continue in this role until a new Chair is appointed. The Chair Designate is not a statutory role.
- Where a future vacancy for the Vice Chair has been identified, opportunities for shadowing by prospective successors will be available to allow for development and knowledge sharing.
- A review of the membership of Committees will be undertaken annually and will take account of gender, experience, and skills mix of Governors on each Committee.
- The Corporation collectively will undertake self-assessment annually including assessing against OFSTED expectations for effective governance.
- Each Governor will be invited to an annual review meeting with the Chair of the Corporation. The meeting will include an opportunity to identify how the Governor would like to develop their role as a Governor and what support to develop would be useful.
- Should an unforeseen vacancy occur in the position of Chair of the Corporation and no nominations for the post are received from existing Independent Members by the deadline set, the Corporation will consider at its earliest opportunity, its next steps. This may include the option to search and advertise externally for a Governor to be appointed with a view to becoming the future Chair of the Corporation (following the appropriate induction as a Governor and necessary nomination and election process). During this period, the Vice-Chair of the Corporation will act as Interim Chair.

5. Policy Monitoring and Review

The implementation of this policy and procedure will be reviewed by the Search and Governance Committee annually.

6. Access to Policy

This policy is available from the Directorate, the Director of Governance and on the College Intranet and website.

7. Mechanisms for Feedback

Constructive comment on the continued improvement of this policy within the statutory regulations is welcomed and should be forwarded to the Director of Governance.
