

## Course Information

### Advanced Apprenticeship in Supporting Teaching & Learning in PE and School Sport Course Code - W122E

#### What is an Apprenticeship?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an Apprentice will spend time both in College and in the workplace learning new skills and training alongside experienced staff, which will lead to nationally recognised qualifications. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you will also achieve qualifications which are recognised by your chosen profession.

#### Venue and duration of course:

The Apprenticeship programme will take place both at East Surrey College and at the workplace and will run for approximately 12-18 months.

#### Entry requirements:

There are no formal entry requirements for an Apprenticeship but you must be in paid work for a minimum of 30 hours per week. It is essential you have the right mind-set for working full time and studying at the same time. Having a can-do attitude, being flexible and reliable are also important. You must also be able to communicate effectively with others.

#### What qualifications will I get?

The Apprenticeship is made up of a number of qualifications that you will receive, which includes:

- Level 3 NVQ Diploma in Supporting the Delivery of Physical Education and School Sport (QCF)
- English Functional Skills
- Maths Functional Skills
- Employment Rights and Responsibilities
- Personal, Learning and Thinking Skills

#### Course description:

This new Advanced Apprenticeship is designed as a pathway into a career in teaching, delivering and instructing school sport and PE. You will learn how to deliver, plan, organise and assess the learning of children in a range of environments including the community and schools. This is an ideal progression route from an Intermediate Activity Leader or Coaching Apprenticeship.

#### Units/topics covered:

- Communication and professional relationships with children, young people and adult
- Schools as organisations
- Understand how to safeguard the wellbeing of children and young people
- Understand child and young person development

- Support assessment for learning
- Plan a physical education and school sport programme
- Deliver a physical education and school sport programme
- Review the delivery of a physical education and school sport programme
- Organise and lead a sport event or competition
- Preparing for the mentoring role
- Support gifted and talented learners
- Facilitate community-based sport and physical activity

**Type of assessment:**

Practical on-the-job training with knowledge based assignments. End of unit tests for Maths and English Functional Skills.

**Equipment needed:**

Standard Sports Kit

**Where can it lead?**

This can lead to careers as PE Technician, Sport Coach, School Sports Instructor, Children's Activity Leader or Physical Activity Instructor.

**Course fee:** If you are under 19 on 31/08/2014, tuition is free. If you are 19 or over please call our Employer Services team for advice and guidance on funding and eligibility.
