

Course Information

Advanced Apprenticeship in Trowel Occupations (Construction) Course Code - W122A

What is an Apprenticeship?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an Apprentice you will spend time, both in College and in the workplace, learning new skills and training alongside experienced staff, which will lead to nationally recognised qualifications. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you will also achieve qualifications which are recognised by your chosen profession.

Venue and duration of course:

The Apprenticeship programme will take place both at East Surrey College and at the workplace and will run for approximately 24 months.

Entry requirements:

There are no formal entry requirements for an Apprenticeship but you must be in paid work for a minimum of 30 hours per week. It is essential you have the right mind-set for working full time and studying at the same time. Having a can-do attitude, being flexible and reliable are also important. You must also be able to communicate effectively with others.

What qualifications will I get?

The Apprenticeship is made up of a number of qualifications that you will receive, which includes:

- The Level 3 Diploma in Bricklaying
- The Level 3 NVQ Diploma in Trowel Occupations (Construction)
- English Functional Skills Level 2
- Maths Functional Skills Level 2
- Employee Rights and Responsibilities
- Responsibilities and Personal Learning and Thinking Skills.

Learners with GCSE results A - C in the relevant functional skill are exempt from this element of the framework as they already have sufficient level of achievement.
